**Section Summary****NEW LAND RENEWS SLAVERY DISPUTES**

The nation's debate over slavery continued as the country got bigger. Many northerners for example, supported the **Wilmot Proviso**, which would outlaw slavery in new lands. Many southerners, on the other hand, did not support the bill. Arguments about the proviso showed how **sectionalism** was dividing the country.

Some favored the idea of **popular sovereignty**. They thought each region's voters should decide the question of slavery for that region. The debate was so intense that a third political party, the **Free-Soil Party**, formed to support abolition.

**Why do you think southerners were opposed to the Wilmot Proviso?**

Section 1, *continued***COMPROMISE OF 1850**

The **Compromise of 1850** was presented by Kentucky's Henry Clay. Its purpose was to maintain the delicate balance between slave and free states. It became law because of support by representatives like Senator Daniel Webster.

What made Henry Clay's law a compromise?

**FUGITIVE SLAVE ACT**

Part of the Compromise of 1850 required passage of the **Fugitive Slave Act**. This act made it a crime to help runaway slaves. Abolitionists especially reacted in anger to the Compromise. Sometimes that anger turned to violence. This was true when abolitionists tried to rescue Virginia fugitive **Anthony Burns** from a Boston jail.

How can you tell that Anthony Burns was a slave?

**ANTISLAVERY LITERATURE**

Many abolitionists expressed their antislavery feelings in speeches. Others used the written word to influence people on the issue of slavery. One effective author was **Harriet Beecher Stowe**. In 1852 Stowe's antislavery novel, *Uncle Tom's Cabin*, was published. The book showed some of the consequences of slavery. It sold more than 2 million copies and influenced many to support the end of slavery.

How did Harriet Beecher Stowe impact the issue of slavery in America?
