I will occasionally let students take class work home to finish if I feel they need more time, but it is on a class by class or individual basis.

It is the student's responsibility to keep up with homework, assignments, and study papers. Work done in class will not always be posted to my website due to copyright infringement or other reasons.

In compliance with the BMS grading policy, I will allow corrections on major exams. No corrections on daily work, quizzes, and other grades will be given unless at my discretion.

Work must be turned in on the due date. Grading of late work will follow the late work policy in the handbook.

Lesson plans are subject to change.
