PLATO GRADING GUIDELINES

I will be given a course syllabus outlining the dates all assignments are due.

I will be given only 1 opportunity to retest on all tests administered through the Plato Software.

I will not be given a reassessment opportunity for Unit Activities, Discussion Boards, and Course Activities.

I am encouraged to take notes during tutorials. I will be able to use notes on Mastery Tests, Discussion Boards, Course Activities, and Unit Activities. Notes will not be used on Post Tests and Semester Tests.

If I finish my course before the end of the semester, I will be required to work on enrichment activities; such as ACT prep, SAT prep, TSI prep, and EOC prep.

If I do not finish my course by the end of the semester, I will be given zeros (0) for all incomplete assignments and the corresponding grade will be posted on my transcript.
