Grade

November 8-12, 2021

Monday	Tuesday	Wednesday	Thursday	Friday
			VETERANS DAY PROGRAM 6:00 PM	

RLA	This week we will be working on homophone spelling words. We will continue working on figurative language in poetry. On Thursday we will have an open note test on figurative language and a spelling test on Friday.
Math	This week we will start fractions. Students will be expected to simplify fractions to their lowest term (comprehending they are equivalent), change mixed numbers to improper and improper fractions to mixed.
Science	This week we will learn about how light travels, reflection, & refraction of light.
SS	We will complete the Week 5 Social Studies. Students are to complete the test review for homework, which is due Friday, the day of the week 5 test.
