RLA	
Math	This week we will be adding and subtracting fractions with unlike denominators. We will also be looking at changing decimals into fractions and fractions into decimals.
Science	This week we will take a test over Light Energy. We will review on Tuesday and take the test on Wednesday.
SS	We will begin Week 6 in the Social Studies Weekly. This week covers the writing of the Declaration of Independence and the beginning of the Revolutionary War. We will go on a virtual field trip to the Museum of the American Revolution and meet the author of the I Survived books.
