

# Brazos Elementary Peek of the Week

5th  
Grade

January 3-7, 2022

Monday	Tuesday	Wednesday	Thursday	Friday
Teacher Workday NO SCHOOL for students.				Solving equations math TEST

RLA	Students will be working on making connections to personal experiences, ideas in other texts, and society. There will be no spelling test this week. Students will also start practicing writing cursive capital letters.
Math	Students will determine when addition, subtraction, multiplication, and division are needed to solve problems. Students can represent multi-step problems with equations that include variables. Students can find sums, differences, products and quotients to solve equations. Students will also begin reviewing for the math STAAR test during classroom enrichment time. This will be done together as a class.
Science	Students will be exploring how fossil fuels and sedimentary rock are formed.
SS	Students will be working on week 9 Social Studies Weekly. They will be learning about the National Government and the Bill of Rights.
