

Subject: 7 Science

Teacher: Vykukal

Week:2

Date: August 21-25, 2023

Monday

TEKS-7.5A

TLW-complete pre-assessment over photosynthesis, given new vocabulary and begin unit over photosynthesis

Thursday

TEKS-7.5A

TLW-discuss the chemical reaction process involved with photosynthesis

Tuesday

TEKS-7.5A

TLW-continue working in student journal over the process of photosynthesis. Student will label the reactants involved with the process of photosynthesis

Friday

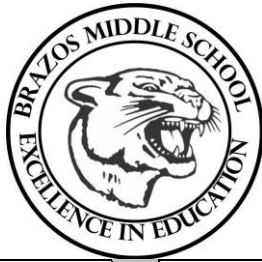

TEKS-7.5A

**TLW-take vocabulary quiz over photosynthesis and discuss the products of photosynthesis
Graded Assignment-photosynthesis vocab quiz**

Wednesday

TEKS-7.5A, 7.1A, 7.2B, 7.4A, 7.4B

**TLW-participate in a lab involving the stomata of the plant during the process of photosynthesis
Graded Assignment-stomata lab**
