

Brazos ISD Public Hearing District of Innovation

Brazos Independent School District will hold a public hearing to consider becoming a District of Innovation. The District of Innovation concept allows traditional independent school districts to access most of the flexibilities available to Texas' open enrollment charter schools. To access these flexibilities, a school district must adopt an innovation plan, as set forth in Chapter 12A and Texas Education Agency rules. Information pertaining to Districts of Innovation may be found at www.tasb.org. The public hearing will be held, Wednesday, December 14th at the Brazos ISD School Board meeting at 7:00PM.
