LIQUIDITY AND  
MATURITY

Any internally created pool fund group of the District shall have a maximum dollar weighted maturity of 180 days. The maximum allowable stated maturity of any other individual investment owned by the District shall not exceed one year from the time of purchase. The Board may specifically authorize a longer maturity for a given investment, within legal limits.

The District's investment portfolio shall have sufficient liquidity to meet anticipated cash flow requirements.

DIVERSITY

The investment portfolio shall be diversified in terms of investment instruments, maturity scheduling, and financial institutions to reduce risk of loss resulting from overconcentration of assets in a specific class of investments, specific maturity, or specific issuer.

MONITORING MARKET  
PRICES

The investment officer shall monitor the investment portfolio and shall keep the Board informed of significant declines in the market value of the District's investment portfolio. Information sources may include financial/investment publications and electronic media, available software for tracking investments, depository banks, commercial or investment banks, financial advisors, and representatives/advisors of investment pools or money market funds. Monitoring shall be done monthly or more often as economic conditions warrant by using appropriate reports, indices, or benchmarks for the type of investment.

MONITORING RATING  
CHANGES

In accordance with Government Code 2256.005(b), the investment officer shall develop a procedure to monitor changes in investment ratings and to liquidate investments that do not maintain satisfactory ratings.

FUNDS / STRATEGIES

Investments of the following fund categories shall be consistent with this policy and in accordance with the strategy defined below.

OPERATING FUNDS

Investment strategies for operating funds (including any commingled pools containing operating funds) shall have as their primary objectives safety, investment liquidity, and maturity sufficient to meet anticipated cash flow requirements.

AGENCY FUNDS

Investment strategies for agency funds shall have as their objectives safety, investment liquidity, and maturity sufficient to meet anticipated cash flow requirements.

DEBT SERVICE  
FUNDS

Investment strategies for debt service funds shall have as their objective sufficient investment liquidity to timely meet debt service payment obligations in accordance with provisions in the bond documents. Maturities longer than one year are authorized provided legal limits are not exceeded.
