**What to Expect**

Come to class on time and prepared to actively learn and participate in activities. Be prepared to stay in the room once you have entered.

**Grading Policy**

All assignments will be counted the same. Projects and tests will be recorded twice. We will follow the school policy for corrections and missing work. If you need help, tutorials are available every morning from 7:30 - 7:55.

## **Absent Work**

When a student is absent, it is up to that student to get their missing assignments. Students have one day for each day absent to complete the assignments. After that, assignments will be subject to the campus missing work policy. Missed exams will be available to make up in the morning between 7:30 and 7:55.

## **Communication**

Parent-Teacher communication is vital to the student's education. If you have any questions or concerns, E-mail is the most efficient (and fastest) way to contact me, or you can call the school office.
