

Week 20

January 15-19, 2024

Monday

TEKS:
TLW: MLK - Holiday

Thursday

TEKS: A.3C
TLW: convert equations from standard form to $y=$ and from $y=$ to standard form

Graded assignment - homework

Tuesday

TEKS:
TLW: Ice/bad weather – no school

Friday

TEKS: A.3C
TLW: graph linear functions on the coordinate plane and identify key features, including x & y intercepts, zeroes, slope, in mathematical and real world situations

Graded assignment - QQ – converting equations

Wednesday

TEKS: A.3C
TLW: intro. to linear equations basics

Saturday
