

Week 3		August 28 – September 1, 2023	
Monday		Thursday	
TEKS: A.5A TLW: solve equations – simplify then solve – 2 step – distributive property Solve equations w/ distributive property WS Graded assignment – HW comp		TEKS: A.5A TLW: Solve equations with variables on both sides containing the distributive property Graded assignment – HW (comp.)	
Tuesday		Friday	
TEKS: A.5A TLW: Solve equations with variables on both sides Graded assignment – QQ over solve with distributive property HW – super star WS – DD-40		TEKS: A.5A TLW: Solve equations with identity and no solutions answers Graded assignment – QQ - solve equations	
Wednesday		Saturday	
TEKS: A.5A TLW: Solve equations with variables on both sides containing the distributive property
