

Week 2

August 21-25, 2023

Monday

TEKS: A.10A, A.10D

TLW: rewrite polynomial expressions of degree 1&2 in equivalent forms using the distributive property

Graded assignment –QQ 1 – Combine like terms

HW – WS 24

Thursday

TEKS: A.10A, A.10D

TLW: Test 1 - combine like terms/distributive property, exponent rules

Graded assignments

HW – solve 7th grade equations review

Tuesday

TEKS: A.10A, A.10D

TLW: rewrite polynomial expressions of degree 1&2 in equivalent forms using the distributive property including the property of the opposites.

Graded assignment – HW (comp)

HW – WS 25

Friday

TEKS: A.5A

TLW: Solve equations with fractions

Solve equations with fractions WS

Wednesday

TEKS: A.10A, A.10D

TLW: Application of combining like terms and distributive property

Graded assignment

Saturday
