

Week 26

February 26 – March 1, 2024

Monday

TEKS: A.5C
TLW: graph systems of 2 linear equations in 2 variables on a coordinate plane and determine the solution

Graded assignment

Thursday

TEKS:
TLW: finish test

Tuesday

TEKS:
TLW: Linear equations test review

Friday

TEKS: A.5C
TLW: write systems of linear equations given a table of values, graph or verbal description

Graded assignment – qq –graph systems

Wednesday

TEKS:
TLW: linear equations test

Graded assignment

Saturday
