## Follow the Rules:

- Phones will be surrendered each day upon entrance to classroom and returned 5 minutes before bell rings during cleaning process. Disinfectant wipes, pick up trash.
- Stay seated after cleaning process
- All backpacks should be placed under the table and out of the way for safety reasons.
- Only bottled water around computer area. Any snack items brought by students or teacher must be eaten away from computer stations.
- Simply put: Use the computer to complete any and all assignments. Do not use the computer for anything else until that is done. After that I believe it is great to use the computer as the learning tool that it can be. "Learn something new every day;" However we are in school so make wise choices when using the computer. If I see you not following the rules – I will give you one warning and then if it continues your computer privileges will be taken away.

I UNDERSTAND THE RULES SET FORTH AND WILL AGREE TO ABIDE BY THEM.
