

## SHAC Meeting Minutes

September 18, 2024

### 1. Welcome

Meeting was called to order by Bailey Demny at 4:00pm. Five members, Bailey Demny, Stephanie Snedaker, Kim Etheridge, Sarah Henderson, and Nita Sulak, were in attendance.

### 2. Update and Review of Old Business

Bailey Demny reviewed what was discussed at the last meeting of the 2023-2024 school year. Narcan training is now required for students in grades 1-12, there were no new health TEKS to decide upon for the 2024-2025 school year, and the P.E. requirements were discussed, and no changes were made.

### 3. Update from Fort Bend County Health and Human Services

Kaila Williams was unable to attend, so this update will be provided at a later date.

### 4. Review of the BISD COVID Policy

The posted COVID-19 policy was reviewed by the members, and adjusted to comply with CDC recommendations. This updated policy will be posted on the school website.

### 5. New medication administration requirements for Texas schools

Starting this year, all medications, even over the counter medications, will require a doctor's approval, as well as a parent signature. The only exception is an over the counter medication with parent approval that will only be in the clinic for 15 days or less. This is due to changes in Texas policy, not BISD policy.

### 6. Conclusion of Meeting

SHAC concluded the last meeting of the 2023-2024 school year at 4:27. No topics for the next meeting that will be held in October, 2024 were voiced.
