

SHAC Meeting Minutes

September 20, 2023

1. Welcome

Meeting started at 4:30pm. 11 members in attendance.

2. Guest speaker from the Department of State Health Services

Gave information on TB requirements in different districts. TB discussion for Brazos ISD will be continued in the December meeting.

3. Bailey Demny informed members of the new narcan/epi pen mandate and has added them to the school orders for approval.

4. Stop the Bleed Stations

Members moved to place Stop the Bleed stations at each AED, instead of in the emergency bags in each classroom. There will be one additional Stop the Bleed station in the elementary due to there only being one AED on the campus. Cohesive elastic bandages, tourniquets, and abdominal pads will be added to the emergency bags that are currently in classrooms.

5. Aurora Concepts will be administering vaccines on October 5th.

6. Next meeting date will be December 7th.
