

Stavinoha – 3rd Six Weeks

Biology 2025-2026

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
11/10 -We will review the Cell Cycle. -I will be able to identify all stages of the cell cycle and meiosis. *Cell Cycle Test Review TEKS: 6A and 8A	11/11 -We will test over the Cell Cycle. -I will be able to identify all stages of the cell cycle and meiosis. *Cell Cycle Test – Major grade TEKS: 6A and 8A	11/12 -We will discuss Genetics key terms. -I will be able to identify the key vocabulary for Genetics. *Genetics with a smile activity TEK: 8B	11/13 -We will discuss how to solve Monohybrid crosses. -I will be able to solve Monohybrid crosses. *Monohybrid cross practice. TEK: 8B	11/14 -We will practice how to solve Monohybrid crosses. -I will be able to solve Monohybrid crosses. *Monohybrid cross practice. TEK: 8B
11/17 -We will practice how to solve Monohybrid crosses. -I will be able to solve Monohybrid crosses. *Monohybrid cross practice. TEK: 8B	11/18 -We will practice how to solve Monohybrid crosses. -I will be able to solve Monohybrid crosses. *Monohybrid cross practice. TEK: 8B	11/19 -We will review Genetics and solving crosses. -I will be able to solve monohybrid crosses. *Genetics Review TEK: 8B	11/20 -We will quiz over Genetics and solving crosses. -I will be able to solve monohybrid crosses. *Genetics Quiz TEK: 8B	11/21 -We will review Genetics and solving crosses. -I will be able to solve monohybrid crosses. *Genetics Coloring Review TEK: 8B
11/24	11/25	11/26	11/27	11/28
THANKSGIVING BREAK				
12/1 -We will practice how to solve Monohybrid crosses. -I will be able to solve Monohybrid crosses. *Incomplete and Co-Dominance cross practice. TEK: 8B	12/2 -We will practice how to solve Monohybrid crosses. -I will be able to solve Monohybrid crosses. *Blood type practice. TEK: 8B	12/3 -We will practice how to solve Dihybrid crosses. -I will be able to solve Dihybrid crosses. *Dihybrid cross practice. TEK: 8B	12/4 -We will practice how to solve Dihybrid crosses. -I will be able to solve Dihybrid crosses. *Dihybrid cross practice. TEK: 8B	12/5 -We will practice how to solve Dihybrid crosses. -I will be able to solve Dihybrid crosses. *Dihybrid cross practice. TEK: 8B
12/8 -We will practice how to solve Mono and Dihybrid crosses. -I will be able to solve Mono and Dihybrid crosses. *Crosses practice. TEK: 8B	12/9 -We will review over Genetics and crosses. -I will be able to solve Genetics crosses. *Genetics Test Review TEK: 8B	12/10 -We will test over Genetics and crosses. -I will be able to solve Genetics crosses. *Genetics Test – Major grade TEK: 8B	12/11 -Semester Exam Review	12/12 -Semester Exam Review
12/15 -Semester Exam Review	12/16 SEMESTER EXAMS	12/17 SEMESTER EXAMS	12/18 SEMESTER EXAMS	12/19 Student Holiday / Teacher Workday

****Assignments in RED are major grades.**
