

Environmental Systems

2025-2026

Teacher info:

Ms. Pam Stavinoha
Room A130
pstavinoha@brazosisd.net
979-478-6832

Conference:

4th period 10:30-11:16 am

Tutoring:

Mornings 7:30-7:55 by
appointment

Course Description:

Environmental Systems will explore the interactions between natural and human systems. We will analyze environmental challenges facing our planet and explore solutions for the future.

Topics Covered:

Ecosystem Dynamics
Managing Resources
Environmental Impact

Modeling Earth's Systems
Population Dynamics
Environmental Ethics, Research, and Law

What to Bring to Class Every Day?

Please bring the following items to class every day:

- Class notebook with paper or spiral
- Pen (blue/black) or pencil

Late Grade Policy:

Ten points will be deducted each day an assignment is late. This policy will be enforced at the discretion of the teacher.

Make-up Work:

Make-up assignments are the student's responsibility. **Tests** are to be completed within one week of the original test date to avoid earning a zero. Make-up tests can be taken after school or during your advisory if you feel there is enough time. You will not be allowed to start a test & then return later to finish it. Students must request special arrangements ahead of time.

Classroom Expectations

- NO FOOD OR DRINK in the classroom.
- Bring paper & writing utensil to class every day.
- **Be in your seat & ready to work once the bell rings.**
- Write legibly. I do not grade what I cannot easily read.
- Do not talk while the teacher is talking.
- Do not work on other subjects during my class time.
- NO talking during Exams and Quizzes!
- Plagiarism = ZERO & referral!
- Cheating will not be tolerated. All participants will receive a zero & work will be confiscated. No questions, No explanations, No exceptions!
- Make-up work is your responsibility!
