

## Homework and Test Expectations

- There will be homework almost daily.
- Homework will sometimes be started in class and finished at home
- Homework will not be accepted if it is not complete. Instead it will be accepted according to the late work policy in the handbook
- Tests will be able to be corrected and returned for partial credit. Corrections will need to be done on a separate sheet of paper, this is a requirement to earn back missed points
- Corrections can be made on daily, homework and quizzes if the grade is below a 70

## Tutoring Schedule

- Every other week starting @7:30 in cafeteria
- Sometimes I have meetings and will not be available
- On the weeks I am not in the cafeteria there should be another math teacher available there

## Contact

[mwatts@brazosisd.net](mailto:mwatts@brazosisd.net)

Email is the BEST way to communicate with me.  
I have conference 6th period.

# 6<sup>th</sup> Grade Math
