

Week 3		August 26 –30, 2024	
Monday		Thursday	
TEKS: A.5A TLW: solve equations – with fractions; variables on both sides  HW - WS - equations with fractions; super star		TEKS: A.5A TLW: Solve equations with variables on both sides containing the distributive property - fractions  Graded assignment – QQ – 3 solve with distributive property	
Tuesday		Friday	
TEKS: A.5A TLW: Solve multi-step equations  Graded assignment - HW – Solve multi-step equations WS (comp)		TEKS: A.5A TLW: Solve for a specific variable – literal equations  HW – literal equations WS	
Wednesday		Saturday	
TEKS: A.5A TLW: Solve equations with variables on both sides containing the distributive property  Graded assignment - HW - equations with variables on both sides (comp)
