

Week 6

September 16-20, 2024

Monday

TEKS: 8.5A,B,F, 8.4C, 8.5H

TLW: represent linear proportional and non-proportional situations with tables, graphs, and equations in the form of $y=kx$ and $y=mx+b$

Thursday

TEKS: 8.5E

TLW: Solve problems involving direct variation

SH 10, HW 10

Tuesday

TEKS: 8.5A,B,F, 8.4C, 8.5H

TLW: represent linear proportional and non-proportional situations on graphs, tables, & equations

Graded assignment – graph sheet (comp)

Friday

TEKS: 8.2C

TLW: Quiz 5 Scientific notation

Graded assignment – 2 grades

Wednesday

TEKS: 8.5A,B,F, 8.4C, 8.5H

TLW: represent linear proportional and non-proportional situations with tables, graphs, and equations in the form of $y=kx$ and $y=mx+b$

Graded assignment – P/NP cards

Saturday
