

**Mrs. Vykukal**

**8<sup>th</sup> Grade Science**

**Second Six Weeks, Week 6**

**Date**

October 228-November 1, 2024

**Monday**

**TEKS Number: 8.7A**

**Objective: discuss Newton's second law with notes and a foldable for future reference**

**Assignment:**

**Thursday**

**TEKS-8.7A**

**TLW-review Newton's second law of motion**

**Graded Assignment-Cworksheet**

**Tuesday**

**TEKS Number: 8.7A**

**Objective: through activities, identify force, mass and acceleration**

**Graded Assginment-**

**Friday**

**TEKS-8.7A**

**TLW-pre-assessment over Newton's second law of motion**

**Wednesday**

**TEKS-8.7A**

**TLW-continue Newton's second law through mathematical problems.**
