- ❖ **Be Productive**

## Classroom Reminders

- Attend to personal needs before class.
- Come to class on time.
- Pick up your materials from the shelf and designated pick up areas.
- Take seat and begin assigned activity.
- Make sure your cell phone is off and out of site.
- **STUDY and complete HOMEWORK!**

## CONTENT

Students will learn how **history, culture, economics, government, citizenship, geography, and social studies skills** are all connected and shape the world we live in.

- **History** helps us understand important events and people from the past that affect our lives today.
- **Culture** includes the beliefs, traditions, and ways of life of people around the world.
- **Economics** is about how people use resources, make money, and trade goods and services.
- **Government** creates laws and makes decisions that affect people's lives and rights.
- **Citizenship** teaches us our roles, rights, and responsibilities in our communities and countries.
- **Geography** is the study of places, people, and the environment, and how they affect how we live.
- **Social Studies Skills** applies critical-thinking skills to organize and use information acquired through many sources

These areas all work together. By learning about these connections, students will better understand how our world works and how they can make a difference.

### Note to students...

I'm excited to be your guide and support you through this year of learning. If you ever feel stuck or unsure, don't hesitate to ask questions. Struggling is part of the learning process, and we can work through it together! I want to encourage you to be creative, curious, and explore new ideas. Do your best and push yourself and we can make this a great year of growing and learning!

## Binder Divider Labels

Students will need 6 divider tabs and will label them for each six weeks.

## Composition Notebook

You will keep up with vocabulary and study material in this notebook. This will be kept with you .
