

Vykukal/Prihoda

7th Grade Science

Fourth Six Weeks

Date

January 12-16, 2026

Monday

TEKS-7.8AB

TLW-review for test over thermal energy, complete pulse check and reading science
Graded Assignment-pulse check, reading science and warm-up

Thursday

TEKS-7.8C

TLW-continue temperature and kinetic energy and how they are related

Tuesday

TEKS-7.8ABC

TLW-test over thermal energy, begin on temperature and kinetic energy
Graded Assignment-test

TEKS-7.8C

TLW-review how temperature and kinetic energy relate
Graded Assignment-

Wednesday

TEKS-7.8C

TLW-complete virtual explore over temperature and kinetic energy
