Course Unit/Outline

To help students explore their interests, learn about future career options, and understand the steps they can take now to prepare for high school, college, and beyond.

If you should have any further questions or concerns, the best way to contact me will be through email

Expectations

- Be on time, whether it is getting to class on time or turning in work before or by the time it is due.
- Respect one another, including teachers, classmates and other figures of authority.
- Use school provided equipment with care
- Listen and follow directions.

Grading Policy

- Daily assignments will be counted once, and projects will be counted twice in the gradebook. Two grades will be entered weekly. There will be a total of 3 projects throughout the semester. Late work will be accepted one day late for a grade of 90. Two days late, you will receive an 80. After three days late, the highest grade will be a 70. Any late assignment after 3 days that is graded for completion will receive no higher than a 50.

Late Work Policy

- Late work policy will be in accordance with the BMS late work policy.

Absences

- You are expected to be in class every day before the bell rings.
- If you are absent, you will receive equal time missed to make up your work. In other words, for every day missed, one day is given to make up the work.
