

Brazos Independent School District
Child Nutrition

2025-2026
Charge Policy

Students at all campus levels will be allowed to charge up to three days worth of meals (3 breakfast and 3 lunches). The Child Nutrition Department will also notify parents with a notice stating their child has a negative balance, the negative dollar amount will reflect in this notification. Notices will be sent home with the student or mailed to the address on file.

Once the student has charged the maximum allowed amount, the student will be provided an alternate meal until charges are paid. Parents/Guardians can make payments online through the district's website via Lunch Money Now, or send payment to your child's campus.

If a student has a negative balance, they will not be allowed to purchase extras or a la carte items until the meal charges have been paid in full.

Brazos ISD encourages all families who may qualify for free/reduced benefits to fill out a Free/Reduced Lunch Application, which is also available online and at all campuses.
