Brazos ISD Names Mr. Clay Hudgins as Brazos High School Principal

Wallis, Texas — Brazos Independent School District is proud to announce the appointment of Mr. Clay Hudgins as the new Principal of Brazos High School.

Mr. Hudgins has served as Principal of Brazos Middle School since 2007, leading the campus to remarkable success. Under his leadership, Brazos Middle School earned 40 Distinction Designations and 23 Gold Performance Awards from the Texas Education Agency (TEA). Since 2019, the campus has consistently achieved an “A” or “B” rating under the TEA accountability system, a testament to Mr. Hudgins’ commitment to academic excellence and student achievement.

Mr. Hudgins holds a Bachelor of Journalism degree in Public Relations from the University of Texas at Austin and a Master of Science degree in Administration from the University of Houston-Victoria. Before beginning his administrative career, he was a teacher and coach at East Bernard High School, Foster High School, and Brazos High School.

Mr. Hudgins and his family are deeply rooted in the Brazos ISD community. His wife, Stacy Hudgins, serves as the counselor at Brazos Elementary School. They have two children—Colton, a 9th-grade student, and Emily, a 6th-grade student.

“We are excited to welcome Mr. Hudgins to this new role,” said Brazos ISD Superintendent Dave Plymale. “His proven leadership, dedication to student success, and strong connection to our community make him the perfect choice to lead Brazos High School into a bright future.”
