ARTICLE IX - CONFLICT OF INTEREST

1. BBB Executive Board members have an obligation to conduct business within guidelines that prohibit actual or potential conflicts of interest. The purpose of these guidelines is to provide general direction so that Executive Board members can seek further clarification on issues related to the subject of acceptable standards of operation. An actual or potential conflict of interest occurs when an Executive Board member is in a position to influence a decision that may result in personal gain or gain for a relative as a result of BBB's business dealings. For the purpose of this policy, a relative is any person who is related by blood or marriage, or whose relationship with the Executive Board member is similar to that of persons who are related by blood or marriage.
2. No presumption of a conflict is created by the mere existence of a relationship with outside firms. However, if an Executive Board member has any influence on any material business transactions, it is imperative that he or she discloses to the Executive Board as soon as possible the existence of any actual or potential conflict of interest so that safeguards can be established to protect all parties.
3. Personal gain may result not only in cases where an Executive Board member, or a relative, has a significant ownership in a firm with which BBB does business, but also when an Executive Board member, or a relative receives any kickback, bribe, substantial gift, or special consideration as a result of any transaction or business dealings involving BBB.

ARTICLE X – WHISTLEBLOWER PROTECTION

1. In keeping with the policy of maintaining the highest standards of conduct and ethics, BBB will investigate any suspected fraudulent or dishonest use or misuse of BBB's resources or misconduct by Executive Board members, consultants, or

volunteers.

2. Executive Board members, consultants, and volunteers are encouraged to report suspected fraudulent or dishonest conduct (i.e., to act as a “whistleblower”), pursuant to the procedures set forth below.
3. A person’s concerns about possible fraudulent or dishonest use or misuse of resources or misconduct should be reported to the Executive Board President and Vice President and Head Band Director. Alternately, to facilitate reporting of suspected violations where the reporter wishes to remain anonymous, people must be cautious to avoid baseless allegations.
4. All relevant matters, including suspected but unproved matters, will be reviewed and analyzed, with documentation of the receipt, retention, investigation, and treatment of the complaint. Appropriate corrective action will be taken, if necessary, and findings will be communicated to the reporting person and the Executive Board. Investigations may warrant investigation by independent persons such as auditors and/or attorneys.
5. BBB will protect whistleblowers as defined below:
 - a. BBB will use its best efforts to protect whistleblowers against retaliation. Complaints will be handled with sensitivity, discretion, and confidentiality to the extent allowed by the circumstances and the law. Generally, this means that whistleblower complaints will only be shared with those who have a need to know so that BBB and/or BISD can conduct an effective investigation, determine what action to take based on the results of any such investigation, and in appropriate cases, with law enforcement personnel.
 - b. Executive Board members, consultants, and volunteers of BBB may not retaliate against a whistleblower. Whistleblowers who believe that they have been retaliated against may file a written complaint using the BISD Formal Notice of Grievance (FNG Local) process.

ARTICLE XI – DOCUMENT RETENTION AND DESTRUCTION

1. In accordance with the Sarbanes-Oxley Act, which makes it a crime to alter, cover up, falsify, or destroy any document with the intent of impeding or obstructing any official proceeding, this policy provides for the systematic review, retention, and destruction of documents received or created by BBB in connection with the transaction of organization business. This policy covers all records and documents, regardless of physical form, contains guidelines for how long certain documents should be kept, and how records should be destroyed (unless under a legal hold). The policy is designed to ensure compliance with federal and state laws and regulations, to eliminate accidental or innocent destruction of records, and to facilitate BBB's operations by promoting efficiency and freeing up valuable storage space.
2. BBB follows the document retention procedures outlined below. Documents that are not listed, but are substantially similar to those listed in the schedule, will be retained for the appropriate length of time and filed with the Band Director at the end of each school year.
3. Electronic documents will be retained as if they were paper documents. Executive Board and General Meeting Minutes

If a user has sufficient reason to keep an e-mail message, the message should be printed in hard copy and kept in the appropriate file or moved to an “archive” computer file folder.

BBB’s records will be stored in a safe, secure, and accessible manner. Documents and financial files that are essential to keeping BBB operating in an emergency will be duplicated or backed up at least every week and maintained off-site.

BBB’s Secretary is responsible for the ongoing process of identifying its records, which have met the required retention period, and overseeing their destruction. Destruction of financial and personnel-related documents will be accomplished by shredding.

Document destruction will be suspended immediately, upon any indication of an official investigation or when a lawsuit is filed or appears imminent. Destruction will be reinstated upon conclusion of the investigation.

Failure to follow this policy can result in possible civil and criminal sanctions against BBB and possible disciplinary action against responsible individuals.
