The Wayne Reber Foundation is interested in promoting work ethic values. Submit a printed essay, giving the following information.

1. List the types of jobs you have held during the summer, weekends, after school, etc. Please state who your employer was and the time period you worked for them. Be sure to include tasks you performed; reasons for working
2. State how working at these jobs has influenced you in making decisions for your future, including career selection and why; how they influenced your secondary and post-secondary education choices.
3. Explain why working at these jobs has influenced your personal values as you have worked and interacted with others at home, school, church, on the job and social activities.
4. Define and explain what “work ethic” means to you.

Application will not be accepted without the following items:

1. Scholarship application
2. Two (2) reference letters
 - **The first letter must be from either a past or present employer**
 - The second letter can be from school administration, teacher, clergy, etc.
3. Typed essay
