I hereby affirm that I am being admitted to Texas State Technical College under the appropriate Individual Approval Category B (Dual Enrollment Student) upon completion of this document. One major difference between high school and college courses concerns the sharing of information about student performance. Under the Family Educational Rights and Privacy Act (FERPA), a federal law passed in 1974, only directory information may be shared with anyone other than the student; however, under the provisions in FERPA, TSTC can share student's progress with designated personnel from the high school district, usually a counselor, principal, or CTE Director.

By signing below, I acknowledge that I will follow all college policies and procedures while enrolled at TSTC and consent to sharing of my educational records with my high school administrators or designee.
